DOMINATOR 40M - EXCLUSIVE LUXURY

Price starting from 17.578.000 EUR (standard options)

The project for the skylounge is very innovative: it can be opened towards both aft and fore, creates an additional salon area located on the fly deck. This large living area features a home entertainment TV/cinema system and splendid jacuzzi.

The huge bow sunbridge area can be enjoyed to the full; it features a large sun deck and spacious dinette.

The Dominator 40M also features a pull-down platform, located in the portside broadside, which provides owners with exclusive access to the sea creating a private swimming platform. The layout of the interiors is extremely interesting, the size astounding: the magnificent master cabin is added to the impressive VIP cabin and to the two guest cabins.

A magnificent open space salon is located on the upper deck, whilst in the centre there is the services area featuring a head and lobby. The large luncheon area is set ahead, with a salon/studio and direct access to the fore sun area.
