Overview

The boat is in standard configuration, extra options are available.

DOMINATOR 800 - A TRULY BESPOKE MASTERPIECE

At Dominator, we are not only claiming to be bespoke but we live it every day. Hull #1 and hull #2 of the new Dominator 800 differ in numerous details except one: the exclusiveness of materials. The owners of each of the two yachts have worked with our design team to suit each of their needs.

Everything from different layouts to the smallest detail has resulted in the two yachts being built to each of their owner's desires. Whether it be Brazilian carbalho wood or hand brushed oak, creamy Botticino marble, rich Calacatta Oro or translucent Onyx combined with tone on tone colours or extravagant contrasting colours for the furniture, you be can rest assured that your masterpiece will only be fitted with the finest choice and it will be bespoke in every way! The Dominator design team can realize every layout solution one can think of.

The choice between open, puristic spaces where the lines between the living areas are blurred or a more traditional and private room arrangement can be made for every deck separately because the beauty lies in the eyes of the beholder!

Length overall 24,50 m

Maximum beam 6,05 m

Displacement 60 tons

Fuel tank capacity 7500 l

Fresh water tank capacity 1500 l

Engines 2 x MAN from 1550 HP to 1800 HP
