SPECIFICATIONS

Overview

JUST REDUCED 20K!!!

One of the most popular tournament convertibles ever produced by the undisputed leader of production convertibles from the 70's through the 80's. The Hatteras 46 is heavily built on a single chine hull with a deep full length keel and moderate transom deadrise. Her comfortable, completely upgraded galley down interior, spacious bridge with custom hardtop, continuous upgrades and care make this a must see. The engine room sporting the 8V71s which cruise the boat around 18 knots, is very clean as well as the generator for a vessel of her age. This boat has been cruised on the Chesapeake and has many recent upgrades. Add a fighting chair and outriggers, and she can be easily ready for the offshore canyons.
