# DETAILED INFORMATION

---

## Brokers Remarks

---

Introduced in 2006, the Luhrs 41 Open was among the larger express sportfishing boats of her day. Based on the Luhrs 41 Convertible, the 41 Open rides on a modified-V hull with prop pockets and a solid fiberglass bottom. With a broad 15'9" beam, the 41 is a big boat for her size. Her 100-square-foot fishing cockpit came standard with a 50-gallon transom livewell, molded bait-prep station with tackle drawers, sink and water faucet, two 45-gallon in-deck fish boxes with macerators, and four gunwale-mount rod holders. Note the separate pump room aft of has an L-shaped dinette, which electrically slides out to form a double berth, seats six and features storage for seven rods behind the seat back. The forward stateroom has a queensized island berth with storage under and two hanging lockers. An open-air galley was available for the bridge deck, and the standup engineroom is unusual in a boat this size.
