SPECIFICATIONS

Overview

This hard to please owner searched high and low for a vessel that would allow all the family to enjoy the extensive main deck, yet retreat below to the quiet serenity of the spacious cabins. Other demands were for a useful cockpit to fish or do whatever, a sundeck outside the large saloon, massive panoramic flybridge, full walk around weather decks and most of all a stand up engine room. This presented a comfortable vessel all round to cruise, entertain or just enjoy. Powered with her dual 480HP Detroit diesel shaft drives she will cruise comfortably at 11 knots and is an impressive well maintained loved vessel.
