DETAILED INFORMATION

58' Symbol Motor Yacht AMAZING GRACE

58' Symbol Motor Yacht AMAZING GRACE "AMAZING GRACE" is extremely user friendly with her three station controls (pilot house, flybridge, and cockpit) bow and stern thruster, wide safe full walk around decks, and robust stainless steel hardware. Her shoal draft will make for an excellent Bahamas cruiser. Prop pockets, four bladed Nibral wheels and the 705HP CATs will cruise very economically at 10 Knots, yet deliver 17-18 Knots at fast cruise. (2050 RPMS, WOT 2300 RPMS) The pilothouse layout is extremely user friendly as it provides excellent visibility not only from the helm, but also from the large port side dining area and the large granite top galley to starboard. Two access points, (cockpit and pilot house) lead to the large flybridge which contains a (2) captains helm seats, ample guest seating, grill, sink, and has (2) Large 24vdc cold plate refrigeration chests to use as additional refrigerators or freezers or (1) of each. The 1000lb UMT davit and tender is launched from the flybridge which leaves great access to the walk through transom to the swim platform. The interior joiner work has many custom features that blend well with the large side windows and sliding cockpit door.

Accommodations

A high gloss finished wood provides luxurious feel. Unique custom curved forward bulkhead with curved doors is exquisite craftsmanship. Midship Master stateroom has custom makeup vanity and double door closet. Oversized shower and granite countertops continue the luxury. Forward VIP cabin is equally comfortable with cabinets and flat screen TV. Third cabin has a single with a custom fold down desk which can make this an office. All the TVs work independently with SAT Antenna and modulator. • The three staterooms are reached via a stairwell from the pilothouse • The master stateroom is aft with a head to starboard (very large shower with seat bench) • Techma toilets • Vanity located to port • The master bed is a queen centerline with under bed storage • Shoji screens complement the upscale décor and slide open to access porthole windows • Mirrored doors accent the, cedar lined closets • The third stateroom has a single berth, and a port side office area • VIP stateroom features a queen centerline bed that hinges up for storage • Both VIP and guest staterooms share a large head with dual access doors for privacy • Techma Vacuum toilets, and a large stall shower

Main Salon

Stepping into the salon through single stainless sliding door you will be wrapped in luxurious Sapele interior with hi-gloss finish, superb fabrics, and teak and holly sole. Beautiful glass front cabinets forward. Large seating area to starboard which converts

to double berth, electric hi-lo table, which has flip out leaves to become a dining table. Swivel upholstered barrel chairs to port, custom entertainment cabinet with up and down 42" plasma TV. Window valences with fabric silhouette curtains and exquisite lighting. • Cherry wood with burl accents throughout • Custom audio/video entertainment package, including 42" salon pop up TV, DVD and stereo • Four (4) speaker surround sound in ceiling • A spacious salon features an 11 foot U-shaped fabric covered sofa, to starboard • Countertops and cabinetry in burl woods • Large windows provide plenty of viewing ability and lighting • Stainless steel sliding salon doors

Galley

Forward up the stairs to Pilothouse is Galley with all the comforts of home including dishwasher and Sub-Zero refrigerator with 2 freezer drawers. Custom overhead cabinets have LCD TV to view from dinette table. • The galley is to starboard on the same level as the pilot house. With U-shaped granite counter tops, cabinets with ample storage, and a pass through to the salon • LCD TV facing settee area by the galley • Subzero upright refrigerator with two freezer drawers (cherry wood) with icemaker • Stainless steel sink with disposal and filtered water • Dishwasher • GE Profile microwave/convection/radiant oven • Kenyon four burner ceramic cooktop • Trash Compactor

Pilothouse/Dinette

3 Panel windshield provides terrific view forward from helm seat, custom wood helm wheel, custom helm chair, lots of electronics. Dinette to port is oversized so whole family can be there. Lots of custom features like custom curved helm cabinet area for easy pilot seat access and stairs. Custom extended dinette seating with foldout table for the whole crowd. Additional AC unit to keep cool while underway. Leather upholstery with throw pillows. Custom "Open" Stairs to flybridge permitting view into salon. • The pilothouse is up four steps from the salon • Center helm station with a Stidd helm chair • To port, a huge raised settee with an expandable cherry wood table • Heavy duty water tight Pantograph door with large SS hinges & locking device to starboard access decks • A cherry wood stairway to port accesses the flybridge • Accommodations via a stairwell to starboard in the pilothouse • Skylight hatch • Windshield cover • Main electrical distribution panel with glass doors • Chart storage drawer • Burlwood Helm • Helm station with control, gauges, alarms compass and teak steering wheel

Flybridge, Deck, and Hull Equipment

Jack Sarin design, with this proven hull shape, provides great ride, raised bulwarks and

rails provide safety, the covered side decks and cockpit giving you protection from sun or rain. Lots of optional equipment from cockpit boarding doors to 3rd engine controls station for backing into slip those last few feet. • The hull has shallow propeller prockets and is solid FRP layup • Hullsides, decking and the superstructure are all foam-core laminate • Windows are tempered safety glass (sides tinted) and frameless with silicone seams • The exterior surfaces are gelcoat • Two water tanks and two holding tanks • Watermaker-850 Aqua Whisper • Drains, sumps and bilges are connected to a common manifold tube that runs length wise down each side and discharges aft under platform • Main exhausts are underwater type with stern bypass • A roomy cockpit features a built in bench settee (Sunbrella cushioned with storage) aft with a gloss teak table • Ladder to flybridge • A lazarette area offers plenty of storage and access to the engine room • Covered walk around decks feature oval stainless steel handrails and side boarding gates • Foredeck with dual storage hatches and customized anchor chute • Flybridge features a large half-circular shaped settee with a high/low table • (2) separate Stidd chairs • Duplicate navigational system and electronics • UMT 1000 pound davit and remote control, located on flybridge • Tender 2012 10ft Walker Bay with 15Hp • Aft of the settee are (2) cold plate refrigeration chests and storage • Large soft top with powder coated SS frame • Brand new full enclosure of clear Makrolon AR window panels that can be easily opened on all four sides • Venturi windscreen (Plexiglass with stainless steel frame) • Bomar deck hatches (VIP stateroom and pilothouse) • Pacific Coast watertight door (flybridge) • Maxwell windlass with deck and two station controls • Eighty-pound stainless steel plow anchor with galvanized chain, custom anchor chute through the bow • Third helm station, to starboard on the aft deck • Fenders, dock lines • Foredeck fresh and salt water wash-downs • Transom shower and swim ladder

Electronic Equipment

The same attention to detail on this boat continues with duplicate instrumentation at the inside helm station and up on the flybridge. Of course everyone is going to appreciate the Wesmar Hydraulic stabilizers and bow and stern thrusters. • Bow and stern thrusters • Depth sounder • Radar - Raymarine 72 mile • Log-Speedometer • Wind Speed and Direction - Raymarine • Plotter - Raymarine E120 • DVD Player - Sony • Autopilot - Simrad • Radio - Sony • GPS - Raymarine E120 • VHF - Icom M602 • Ritchie compass • Depth sounder • Glendenning engine controls (3 stations) • Bow Thruster and Stern Thruster • Caterpillar port and starboard engine displays (pilothouse, flybridge) • Window wipers, washers • Windlass control • KVH satellite television with two direct satellite receivers • Denon A/V surround sound system • Pioneer multi-disk DVD player • Staterooms have LCD TV's (master with DVD player) • Salon central AM/FM/CD with volume control each room and outside intercom system

Electrical System

- The main electrical panel is on the starboard side of the pilothouse helm and hinges out for easy identification and servicing of the color coded wiring
- Northern Lights 20KW genset with remote panel
- Trace 4,000 Watt Inverter (doubles as a charger)
- Charles 24 Volt battery charger (backup)
- Charles 12 Volt battery charger

- Exterior spreader lights
- Navigation lighting
- Courtesy interior rope lighting
- ACR searchlight (pilot house/flybridge)
- NuTone central vacuum system
- Asko front-load full size washer
- Asko front-load full size dryer

BROKERS REMARKS

This is a very clean boat with hi-gloss wood interior and rich fabrics. Many custom built in features and lots of equipment including Wesmar stabilizers, Sat Tv, bow and stern thrusters and much more. Maintained by a very knowledgeable Open Checkbook Owner. 'Amazing Grace' is a MUST SEE for anyone searching for that Special Head Turner. This is an exceptional yacht and is ready for an offer.

Exclusions

Owner's personal belongings.
