ХАРАКТЕРИСТИКИ

Обзор

Weather changes. Moods change. Needs change. So does the remarkably versatile 390. Whether you're looking forward to an intimate evening for two, or entertaining a group of friends for the afternoon, the adaptable 390 easily changes identities to suit your needs. Offering convertible seating for a variety of free-flowing accommodations.

Всего кают: 1

Всего ком. состава: 1

Корпус и палуба

Материал корпуса: Fiberglass

Цвет корпуса: Black

Информация о двигателе

Двигатели: 2

Производитель: Volvo Penta

Модель: D6, 500 IPS

Тип двигателя: Inboard

Тип топлива: Diesel

ПОДРОБНОЕ ОПИСАНИЕ

Manufacturer Description

Helm

The fantastic 390 enthusiastically awaits your command, and you're always in complete control in the ergonomic helm. All instrumentation and controls are designed around you and feel custom engineered.

Cockpit

The capable 390 features the largest cockpit in its class, with more than 150 square feet of integrated cockpit and helm space. Plus, convertible transom seating enables you to customize the party. Adjustable seating converts from split L-shaped seats with a central entry gate, to U-shaped booth seating with table, to the ultimate lounge utilizing filler cushions and the reclining transom back rest.

Transom Storage

The 390 provides abundant storage throughout. Including convenient transom storage for jackets, fenders, hoses, and shore power cords.

Grill/Bar

Entertain like you mean it. The cockpit grill, complete with sink and fridge, provides all the amenities you need to create amazing memories.

Captain's Seat

A double-wide captain's chair with flip-up bolster and foot rest provides hours of comfort and is designed to easily adjust to whatever the situation demands of the captain.

Companion Seat

Of course the helm is comfortable. But the companion lounge adjacent to the helm provides ultra-plush comfort along with terrific views. Suddenly, companion is the most popular position on the yacht.

Lounge - Sun Pad

Let the sun be your companion for the day. The bow of the 390 is equipped with comfy flip-up sun lounge rests and cushions. Read, enjoy your favorite beverage, or simply take in all the wondrous views.

Windshield

Cruisers Yachts has a longstanding tradition of innovation. And the full-front frameless window offers unrestricted visibility across the horizon.

Sun Shade

Let in the sun. Or keep it away. The 390 Express Coupe is equipped with an electric accordion shade that offers the largest sunroof opening in its class - a full 42 square feet. Operable at the helm.

Walk-Around

Accessibility is a hallmark of the 390. And a 10" walk around and self-draining steps offer safe and convenient entry from the cockpit to the bow.

Underwater Lights

Let's get this party started. The 390 is made for entertaining, and it looks the part. Flip the switch for underwater lights and dynamic evening lighting accents.

Weather Enclosure

All boats are designed for the sun and surf. Only extraordinary yachts handle the weather just as gracefully. And every detail of the 390 has been thoroughly conceived. For instance, cockpit seating covers allow continued access to the walkaround, transom and helm area during inclement weather. And a separate helm enclosure with sliding door keeps the captain's area secure. No more cumbersome removal and set up of piles of canvas.

Galley

It seems every get-together centers around the kitchen. And the galley of the 390 is thoroughly equipped with sink, fridge, electric stove top and a microwave/convection oven. Along with great views. Plus, with its integrated floor plan, the cook can stay connected to the conversation.

Head

Be bathed in luxury. The head features a walk-in shower that is immersed in natural light via the skylight above.

Master Stateroom

Welcome to the sanctuary of the plush full-beam Master Stateroom. Featuring standing headroom, a luxurious double berth, port-side settee, cedar-lined hanging locker, and the latest in entertainment options right at your fingertips.

Forward Dinette

Enjoy the art of conversation once again. The forward dinette offers seating for up to seven and provides wrap-around views. In addition, the dinette converts to a full-beam Secondary Stateroom for overnight guests. Simply lower the table, add the filler cushion and extend the privacy curtain for a convenient conversion.

Standard Features

STRUCTURE

- Barrier Coat—IMEDGE
- Deck—Balsa Cored
- Fiberglass Cabin Liner—Bonded to Stringer
- Hull Bottom—Balsa Cored (All Thru-Hulls are Relieved of Balsa)
