SPECIFICATIONS

Overview

OCEAN NATURAL is a fuel efficient cruising vessel featuring classic Nordic Tug styling. She's built in the USA and equipped with the 220hp Cummins diesel engine. As with all Nordic Tugs, the 32 has a semi-displacement hull built with hand-laid heavily reinforced fiberglass with full keel and hard chine, giving her exceptional stability and handling qualities. The 32 is a very popular cruising vessel, features a roomy salon/galley and separate pilothouse with a 360 degree view and 6'8" headroom. Forward is a large stateroom with head and large separate stall shower and the roomy salon has a large settee that converts into an oversized double berth.

The reliable Cummins 220 hp diesel engine consumes on average 2 3/4 gph at cruising speeds of 8-10 kts. DYSID:3020532

Basic Information

Category: Trawler

Model Year: 2002

Year Built: 2002

Country: United States

Dimensions

LOA: 32' 0" (9.75m)

Beam: 11' 0" (3.35m)
