SPECIFICATIONS

Overview

The Pursuit 3000 Offshore is a well engineered boat with a modified V, a well flared bow, and semi custom profile. The production run was from 1995-2004. A fishing equipped 60 sq ft cockpit, and a great running sea boat with a 19 degree transom deadrise provides an impressive value in today's market, Overnight accommodations for 4 in berths, with a large roomy head, galley, and plenty of storage. A 2'9" draft enables you to go where many boats wish they could.

Twin Yanmar 6BY 260 H/P engines were new in 2013. Hard Top. Garmin 7212, Auto Pilot, New Electronic Controls, New Scopinich Helm Chair and Leaning Post.

22' - 25' CC could be considered in trade depending on features, condition and price.
DYSID:3020269

Basic Information

Category: Cruiser

Sub Category: Express

Model Year: 1996

Year Built: 1996

Country: United States

Dimensions

LOA: 30' 0" (9.14m)

Engines

This vessel was re-powered in 2013 with twin 260hp Yanmar diesels instead of the Volvo diesels. They have 620 hours on them and have been very well cared for.

The heat exchangers were flushed in 2016.

New upgraded Racor 900 fuel filter separators were installed in 2016.

Dripless shaft seals

Exclusions

Owner's personal belongings.
