Overview

2004 Meridian 411 Sedan with twin Mercruiser 8.1 liter gasoline engines, generator, all the comforts of home on the water. This Meridian has been lightly used and is ready to take your family on memorable adventures to the Islands. If you are looking for an amazing amount of boat that shows nearly new with quality construction, all for an equally incredible price, look no further! A large swim platform leads to an equally large cockpit suitable for fishing and entertaining. Molded stairs to port lead to a large bridge with seating for the entire family and a helm complete with large screen radar and GPS, depth finder, VHF, remote control windlass and spotlight, as well as a fully upgraded sound system with subwoofer and premium speakers for the bridge and cockpit. Enter into the cabin via the wide sliding glass door and you find a spacious cabin with surround sound entertainment, Smart TV/DVD player with a KVH satellite TV system (wired for 2 receivers) L shaped settee to aft and port of the salon with half of the settee converting to recliners, smaller settee to starboard, with a very nice galley to port and a huge U-shaped dinette to starboard (which also converts to an additional berth). Teak/holly sole at galley and everything you need for a day, weekend, or month aboard. 2 large staterooms accommodating queen berths with separate heads and a stand up/separate shower for master berth. Powered by twin Mercruiser 8.1 HO's and a 10KW Kohler Generator.

Fuel Type: Gas/Petrol

DETAILED INFORMATION

Accommodations

Introduced in 2003, the Meridian 411 is a competitively priced sedan cruiser whose crisp styling and comfortable accommodations remain her most impressive features.

Like other Meridian models, the 411 rides on a solid fiberglass hull with generous beam and a relatively flat bottom. Her two stateroom interior compares favorably with other boats of her type and size, and the layout is practical and well organized. The expansive salon is arranged with the galley and dinette forward, a step up from the aft salon with its facing settees and entertainment center. The dinette converts to a double berth in the usual fashion, and a hatch in the salon floor provides access to a very well arranged engine room. Topside, there's seating for eight and a built in wet bar on the large flybridge. Additional features include an extended swim platform, cherry interior joinery, radar arch and reasonably wide side decks.

Hull and Deck

- “Shoe box” Hull & Deck Joint
- 12” Mooring Cleats (7) & 10” Mooring Cleats (2)
- Anti-fouling Bottom Paint
- Bonded, Tinted Windows
