Overview

Oyster Brokerage are delighted to welcome a stunning example of the iconic raised saloon Oyster 82 to our fleet. Hull number 15 of the successful 82 model, *Mathilda Sound* was launched in 2011. She has been maintained by a professional crew since her commission and run with no restrictions on budget. *Mathilda Sound* is a proven charter yacht and perfect for family cruising. She is in fabulous condition.

The 82 is a renowned passage maker and comes with all the trusted sailing features you would expect of a class leading round-the-world capable luxurious sailing yacht. *Mathilda Sound* has some unique cruising features and can easily be sailed and looked after by two crew, thus helping reduce running costs when not in charter mode. Her well thought-out sail plan allows for short handed sailing when required with everything controlled from the safety of the cockpit. With the raised saloon, the engine room on the 82 is likely the best in her field and allows direct access to all the ships engineering for ease of maintenance. Designed to be maintained wherever you are in the world.

Below decks, *Mathilda Sound* boasts warm maple joinery, dark walnut soleboards and luxurious leather upholstery. The contrasting colour scheme enhances the spacious, modern feel of this stylish interior. She can sleep six guests in three cabins with extra pullman berth options in each guest cabin. She would usually carry up to three crew in cruising mode to ensure a relaxed luxury cruise for the owners and guests.
