SPECIFICATIONS

Overview

An iconic blend of brawn and elegance, the 80 viking is the world leader in all other enclosed bridge convertibles to follow. The Tease Em with zero expenses spared in her build and attention to detail by an extremely knowledgeable yachtsman, captain and crew. Tease Em sets the bar even higher. Replacement costs broach the 9m range. The detailed alluring aesthetics coupled with functional amenities would be extremely time consuming and painstaking to replace.

Owners, captains and crew alike in all arenas, be it long range cruising, traveling the world with its asea converter system for all electrical outputs or tournament fishing back on the home turf are truly pampered by versatility of Tease Em. The 80 in general but particularly this convertible offers something for everyone in the highest level performance and luxury platform.

The Tease Em is exceptional in every way. She is powered by the new MTU blue vision smoke free MTU V16 M96L's and offers hydraulic joystick control and dynamic positioning system, allowing her to respond in the class of most 60' vessels. Enjoy exterior ac comforts in nearly every seating area for long hot days on the troll. Custom storage some being refrigerated has been utilized in almost every crevasse of the vessel. Teak and faux teak accents are emanated in all the necessary locations. Interior custom walnut accents including the companionway carry the same theme on the inside.

The redundancy from all pertinent standpoints has not been over looked, 2 ice chippers, 2 watermakers, multiple seawater supply pumps for livewells & tuna tubes, 2 fuel polishing systems, remote octoplex control panels, ac flushing systems & various cockpit covers to name a few. With very low time, just the right amount for the initial shake down of a new vessel, the Tease Em is dialed in for her next owner.

A highly professional crew keeps this vessel in impeccable condition & show ready at all times. Avoid the long wait and rigorously involved management of a complex build schedule; don't miss this opportunity to own a true gem of Viking's finest.
