# DETAILED INFORMATION

---

## Recent Upgrades

---

- Repaired port-side exhaust riser
- New upholstery on main salon sofas, settee seats and backs, helm chair
- New carpet
- New propellers
- New strut bearings
- Shaft tube bearings
- Shafts and rudders aligned and balanced
- Charge air boxes serviced
- New soft goods
- New battery charger
- New a/c pumps

## Walk Through

---

Accommodations for 6 in 3 staterooms with 2 heads. The master has a queen berth with an en suite head/shower and the two guest cabins have twin berths and share a head/shower.

This Ferretti is a high performance yacht with European styling and meticulous detailing combining traditional Italian boat building expertise with modern design. The carpeting, upholstery, exterior canvas, headliners and cushions were replaced in the past 3 years. Electronics and A/V equipment have also been upgraded.

The main salon features rich cherry wood, leather settees, abundant storage and access to the fly bridge via an interior stairway. There is a full interior helm with excellent visibility, a dining area, a sunken galley and additional pantry and laundry adjacent.

There is a spacious fly bridge, a walk-around main deck, large sun pads on the foredeck, a large swim platform giving easy access to all water sports and a lazarette with abundant storage space.

Unique to this Ferretti is entry to the engine room via an electrically operated access hatch from the aft deck. This entry hinges fully open to a stand up engine room with lots of fresh air.

## Accommodations

---

## Remarks

---

The European styling and meticulous detailing of this Ferretti 55 is state of the art. The interior is finished in a rich cherry wood and many items have been updated over her life.

The electric deck hatch allows easy engine room maintenance unlike any other Ferretti M/Y.

Ferretti yachts were based on the established Riva hull design and this model was built for the American market with all American appliances and electrical system.

---
