Model: 300 V8

Engine Type: Inboard

Fuel Type: Gas/Petrol

DETAILED INFORMATION

Vessel Walkthrough

This 35 Sport Coupe has been owned by meticulous owners since day one. This yacht features a teak decking system as opposed to the standard non-skid throughout the helm, cockpit, and swim platform. This compliments the chocolate helm color and creates a very rich feel with the tan exterior upholstery.

The cockpit features a unique layout with the aft lounge being able to convert to forward or aft facing and the L lounge being able to convert to forward or aft facing. This allows the aft cockpit to become a social center or two separate areas for entertaining. The cockpit also features a fold down TV above the electric grill, refrigerator, ice maker, and wet bar with trash bin!

The cabin features an equally unique method of maximizing the usable space with a lounge that converts up to form the full queen berth forward. With two additional lounges aft, a full galley, and head it is amazing the space Regal found when designing this yacht!

Exterior

- Forward Sunpad
- Electric Grill
