SPECIFICATIONS

Overview

The Ted Brewer-designed Quickstep 24 features a solid-glass hull, internal cast-lead ballast, shoal draft and full-size berths for three adults. Solid construction and fine detailing make her an attractive day sailor/weekender for a couple or small family. The deep cockpit with high coamings is both comfortable and secure. With her full ballast, modified full keel and 259 sq. ft. sail area, the Quickstep 24 is a stable boat with good performance. "Kanga" sleeps 4, has a large icebox, stainless steel sink, and toilet with holding tank. She is cruise ready and set-up for ease-of-handling, with Harken roller furling, Jiffy reefing main, auto pilot, rope clutches and halyard winch led aft to cockpit. "Kanga" is in the water and ready to take you sailing this season.
