SPECIFICATIONS

Overview

If you are ready to go sailing this boat is for you!

It was the best Hunter 49' on the market when the owner bought it and it is still the best. It has been upgraded and maintained ready for extended cruising but owners' change of plans makes it available for sale.

The boat has spent most of her life in the North East being winterized every year. This boat is in great condition that is evident when you visit her.

-New MaxPower bow thruster -Engine just serviced -Bottom paint October 2016 -New macerator pump with a spare -Watermaker that has never been used

This Hunter 49 is a well crafted fully upgraded sailing vessel that is equipped to safely handle all extended offshore passage making, living aboard, or just cruising around. The owner has spared no expense to enhance her sailing capabilities for extended cruising.

- Upgraded Yanmar 4JHA- HTE w/ 100hp with about 490 hrs with full service records, oil changed regularly

DETAILED INFORMATION

Additional Information

Description

The Hunter 49 offers a complete range of live aboard accommodations and outstanding entertainment features. With an overall length of 49 feet 11 inches, plus a 14 feet 5 inch beam and 6 feet 9 inches of salon headroom, the Hunter 49 is a BIG boat with impressive interior volume.

Driving the Hunter 49's hull is a specially engineered sail plan that achieves maximum efficiency while maintaining the Hunter trademark of single-handed sail-ability, which is a great feature for a boat of this size.

Components aboard the Hunter 49 include Hunter's famous mainsheet traveler arch, backstayless B & R rig, a battened full roach main sail, and two headsail options: single self-tacking jib or self-tacking staysail with overlapping jib. A dual-ended mainsheet allows adjustments from both the cockpit and companionway, and all sheets and halyards end at the cockpit.
