SPECIFICATIONS

Overview

The "Mermaid" is an excellent example of the popular Albemarle 285 XF Express. She has been lift-kept and professionally maintained by the local Volvo dealer. With only about 1,100 hours on her twin Volvo TAMD 41P-A 6 cylinder diesel engines, she has a range of approximately 500 miles and an offshore hull design to get you to the canyons and back comfortably and safely. The Albemarle 285 XF is widely known as one of most capable offshore boats under 30' and "Mermaid" is no exception. Some of her key features include:

- Factory installed hardtop with gold rocket launchers
- Volvo jackshaft DP Sterndrives with Stainless Steel props
- 4-sided enclosure
- 16' outriggers
- Maxwell windlass
- Simrad color GPS/chart plotter
- Furuno 582L bottom machine with 1kw thru-hull transducer
- Furuno 1712 dome radar
- Simrad AP 11 Autopilot
- ICOM 502 VHF with new antenna
- Sea surface temp guage
- 2010 High Tech Marine 18,000lb triple-axle traile (pictured) included
- See "Full Specs" for more details

DETAILED INFORMATION

Description

With the speed and the range to make those long offshore trips quick and comfortable, the Albemarle 285 Express Fisherman is no lightweight. This is a heavily armed fishing machine which can fish with the big boats any day, time or place. And like all boats in the Albemarle line, the 285 has a beautiful clean fiberglass finish with molded-in non-skid surfaces and low maintenance trim, which are easy to maintain and look great for years. The 285 makes overnight trips and long trips offshore comfortable and productive with a highly functional cabin and cockpit.
