Accommodations

Total Cabins: 2

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Caterpillar

Model: C12

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Accommodations

Sleeps 5 people in 2 staterooms. The master is forward with an island queen bed with drawers under and a large hatch for light and air above. There is a large cedar lined hanging locker aft to starboard and the private entry to the head is aft to port. The sole is teak and holly amtico and all cabinetry is satin finished teak. The master stateroom is complete with recessed overhead lighting on rheostats, a separate temperature and air volume control for the heat and air, TV with VCR and stereo speakers. Aft to the main salon with head compartment to port and storage locker to starboard. The head is complete with an electric fresh water flush toilet, separate shower stall, exhaust fan, shower sump pump, vanity, sink and lighting. There is a deck hatch for light and air overhead in the head. Aft to the main salon with custom L shaped settee to starboard and full galley to port. The settee bottom extends to make a double bed and the settee back hinges up to make an upper berth. The salon contains its own TV and entertainment center with CD/DVD/AM/FM/stereo with surround sound system. The galley is located to port opposite the settee and contains a recessed 2 burner ceramic cooktop, sink, microwave/convection oven, and refrigerator with polished stainless steel interior and teak paneled exterior. All countertops are in dark green granite type corian. There is a U-Line icemaker to starboard of the companionway hatch at the inboard end of the settee and a large telescoping triangular corian hi-lo dinette/coffee table at the settee. The entire salon sole is finished in amtico teak and holly. Up 3 steps to the helm deck with centerline steering station flanked by two "J" shaped settees with storage under. Down 2 steps to the very large fishing cockpit. The cockpit is complete with stainless steel bait freezer on port, livewell on port, tackle station and drink cooler on starboard, transom door with gate, full width transom fish box and in-deck fish box with macerator.
