## Overview

---

With over 1,500 delivered, the iconic Grand Banks 42 remains the most successful trawler design ever produced. The Grand Banks 42's semi-displacement hull, with its long keel, hard chines and a deep forefoot, provides a level of stability and comfort seldom matched by other boats. With her full teak interior and with the galley at the same level of the salon it is easy to see why this is one of the most popular models ever. Surrounded by large cabin windows, visibility from the lower helm is excellent in all directions. The dinghy can be stored on the cabin top and there's plenty of flybridge seating aft of the helm. Additional features include teak decks, fold down mast and boom, and a small aft cockpit for line handling.

" Oggi Too " has been well cared for by her experienced owner and it shows. This boat is in excellent condition inside and out. Anyone considering a trawler of this size should take a look at this boat, you will not be disappointed.

DYSID:30185800
