- Enjoyed as a family cruiser, lightly fish
- Stidd Helm chairs on the bridge
- Waxed every three months, in excellent condition inside and out
- View the extensive list of equipment under the full specs tab

### PowerBoat Guide Description of this model/brand

#### 2015 PowerBoat Guide

A handsome boat with classic convertible lines, the Post 50 combines the elegance of a yacht-style interior with the brute force of a well-bred offshore fishing machine. She's built on a low-deadrise modified-V hull with cored hullsides, a wide beam, and a solid glass bottom. Unlike other Post designs, the 50's hull is not tapered at the transom that helps account for her very large cockpit. Several three-stateroom, two-head floorplans were offered over the years. Like all Post models, the interior woodwork and detailing are finished to high standards. The cockpit—nearly 150 square feet in size—comes with a full array of fishing gear including a molded tackle center, transom door, and direct access to the engine room. DYSID:3033611
