## Overview

---

New to the market! Rare opportunity to locate a 245CX Edgewater Preowned.60 hours, kept high and dry. Full working head.

Unlike most other boats on the market, Edgewater Powerboats utilizes proprietary SPI (Single Piece Infusion) Technology. Vinylester resin is chemically bonded in a close-mold vacuum infusion process that bonds the hull with composite structural beams, creating a single structural unit. The result is a stronger, safer and more efficient boat that's just plain better. By focusing intensely on safety, EdgeWater let's you focus on making the most of every moment on the water.

Their fishing boats are used by serious sportsmen, active families and commercial clients who demand practical features, reliability and durability. That's why we strive to build the safest, most versatile fishing boats imaginable. Their boats are great for fishing, diving, skiing, cruising and anything else you could possibly want to do on the water. Their Fishing Boats are ones that handle exceptionally well in a wide variety of sea conditions.

At the heart of Edgewater Powerboats is a philosophy that deeply thoughtful design and intelligent engineering will produce a uniquely superior product. A strongly held conviction that quality matters goes into our Fishing Boats. A belief that uncompromising standards for safety and durability can be incorporated into a boat that is well-suited to its purpose and yet, still elegantly styled. Full factory warranty on boat and engine. She is fully equipped just turn key!

## Manufacturer Provided Description

---

The 245 Crossover is the perfect union of offshore performance and unsinkability of an EdgeWater with the seating, storage, amenities and versatility of an offshore boat. The 245CX will do anything you want to do on the water in an offshore boat while keeping you and your crew safe regardless of the conditions. With its deep-V hull, Single Piece Infusion® (SPI) construction, high-grade components, and the reliability of Yamaha four-stroke technology, the 245CX operates in a class of all its own. Still, it's an offshore boat that outperforms all comparable boats in any other category.
