“Endeavor”

2001 Carver 396 Aft Cabin Motor Yacht

This boat is dialed in and ready to be enjoyed by the next owner. Tastefully decorated and clean inside & out.

Long list of upgrades including:

- LED lights
- Low Hours on engines & gen
- All systems have been maintained to highest standards
- As close to new as you can get
- All injectors cleaned and engines tuned
- New braided fuel lines
- Impellers replaced
- Fuel tanks cleaned
- All (3) ac's have been serviced & coils cleaned
- Septic system working great-no smells and on service plan
- All lights work and have led's and new fixtures
- Fresh bottom paint

Boat is enjoyed on a weekly basis by owners. Seller's moving to a larger Carver. I have been aboard this vessel and can describe her condition accurately. All photos are current.

---

## Engine Information

---

**Engines:** 2

**Manufacturer:** Volvo Penta

**Model:** 8.1 GSi

**Engine Type:** Inboard

**Fuel Type:** Gas

---

# DETAILED INFORMATION

---

## Overview

---

A truly radical design for Carver when she was introduced in 2000. The 396 Motor Yacht is a scaled-down version of Carver's equally controversial 506MY with the same tiered elliptical cabin windows, high freeboard and overdone Euro styling. On the inside, however, the 396 is a stunning display of interior volume unmatched in a boat this size. The salon easily the most impressive aspect of the boat is immense with a panoramic outside view and about seven feet of headroom. The full beam salon configuration is made possible by the sidedecks to eye level which is why the boat appears to have so much freeboard. Both staterooms have walkaround double berths and there are separate stall showers for each head. Wing doors and a hardtop protect the aft deck from the elements; a molded stairway leads to the swim platform, and there's seating for a small crowd on the flybridge.

## Salon

---
