SPECIFICATIONS

Overview

Stored in raised slings in a covered marina, The "Red Tide" has spent its life fishing all over the Gulf of Mexico trolling for billfish and wahoo, deep dropping for big swords, and limiting out on every species of reef fish. The 42' Invincible combines its show stopping speed with 600 gallons of gasoline and sheer size and power making it the most luxurious sport fishing center console on the market today. The boat was maintained daily by a professional captain and mate which kept this boat in the most pristine condition with constant washing and waxing along with engine and lower unit oil changes every 100 hours of operation.

Basic Information

Category: Center Console

Sub Category: Walk-around

Model Year: 2012
