# DETAILED INFORMATION

---

---

## 94' Broward Motor Yacht GOLDEN GIRL

---

This 94' Broward Motor Yacht, GOLDEN GIRL, is an excellent example of the classic Broward motor yacht with her spacious layout and accommodations for seven guests plus three in crew. Elegantly appointed interior includes a large main salon with dining area, bar area, and piano all on the main deck level with the iconic Broward "country kitchen" galley making her a perfect choice for entertaining. Lower deck accommodations include two guest staterooms and a generous master suite with "his and hers" en suite bathrooms and Jacuzzi tub aft, and ample crew quarters forward. GOLDEN GIRL features both raised pilothouse and flybridge helm stations, and outdoor entertaining areas including dining table, seating, wet bar and gas grill on the flybridge, and dining table and seating on the aft deck with additional benches on the swim platform.

---

## Walkthrough

---

GOLDEN GIRL can be boarded via port or starboard gates amidships. High gunwales and side decks ensure carefree access to the bow and its raised sun pad with cushions. Wing doors port and starboard open to the Main Salon foyers. A full beam build out combined with a flowing interior design in the Main Salon allows for many amenities without sacrificing the feeling of open space. Entering from the starboard marble-tiled entry foyer there is a perfectly appointed 3-stool wet bar. The custom mirrored cabinetry on the forward bulkhead provides a sophisticated backdrop for this site as well as for the entire salon. Mirror polished aluminum over the bar (added in the 2004 refit) completes this dramatic setting by reflecting the black granite bar countertop below. The Salon is done in neutral tones accented with black. Burlled maple inlay on the window mullions adds warmth to the contemporary interior. Aft of the bar, port side, is a glass-topped formal dining table with black base and six upholstered chairs; to starboard are the Story & Clark player piano, a storage cabinet and the stairway leading below deck to the Guest Accommodations. Just aft are two barrel chairs and ottomans, with a curved U-shaped ultra-leather sofa surrounding a mirrored coffee table to port. The floor-to-ceiling windows and all glass double doors aft give the space excellent natural light and contribute to the open, airy ambiance of the Main Salon. The Aft Deck has overhead cover from the extended boat deck. There are two wicker-style cushioned armchairs to port with a teak table, and an oval teak dining table and two cushioned dining chairs starboard. Aft is bench seating with storage below and navy blue Sunbrella cushions. A center stairway leads to the swim platform. The transom has utility storage with cabinets and deck boxes to port and starboard of the stairs. There are also two additional built-in bench seats with navy-cushions. A staircase forward and starboard in the main salon leads below to the guest

accommodations with a contemporary light wood and black décor and cream-colored carpeting. At the base of the stairs, the foyer has two storage lockers and a washer and dryer concealed in a cabinet. The Master Suite is full beam, amidships, with a centerline king bed flanked by marble-topped night tables and backlit etched glass panels above. Drawer storage is abundant with built-in dressers on both the port and starboard bulkheads. A dressing table is centered between the drawers to port, and a settee is centered to starboard. There are large cedar-lined hanging lockers aft as well as an entertainment center. A shared tub and shower divide the “his” and “hers” bathrooms. “Hers” to port, also has a bidet. The Guest Stateroom aft to port has a queen bed athwartship, while the Starboard Guest Stateroom has lower twin beds fore to aft with a Pullman berth on the inboard bulkhead. Both staterooms have drawer storage, hanging lockers, TVs with satellite receivers and en suite baths. Moving forward from the starboard main deck foyer is the recently updated “Country Kitchen” and galley, fully equipped with stainless steel appliances, Black Galaxy granite countertops, island with cooktop and oven, and large table with both upholstered chairs and banquette seating. All new décor and galley appliances provide a comfortable, informal gathering site for both guests and crew. A large banquette can comfortably seat eight. The substantial counter space, abundant cabinetry, and stainless steel appliances make the galley a pleasure for any cook. Fully forward starboard is a curving stairway leading below to the Crew Quarters. The forward crew cabin has twin V-berths with storage below and hanging lockers. There is a head with shower and a washer and dryer. Aft is the Captain’s Cabin with double berth to port and office/entertainment area starboard. The Engine Room access is via the watertight door from the Captain’s Cabin. Three steps lead up to the Pilothouse from either the port or starboard main deck entry foyers. The fully equipped Pilothouse has excellent visibility. There is ample space for charts and navigational tools, and a raised bench seat has drawer storage. Just to port of the bench seat is the ladder to the Flybridge. GOLDEN GIRL’s spacious flybridge is ideal for outdoor entertaining with comfortable seating for a large crowd. The Flybridge affords the helmsman 360-degree vistas and the extra large Bimini top protects all assembled. There are dual pedestal helm chairs and a full array of navigation equipment. The hinged mast allows access to more cruising routes. A large cabinet surrounds the mast and houses many storage lockers, a wet bar, icemaker, refrigerator and gas barbeque grill. There are Sunbrella cushioned settees both port and starboard, a teak table with chairs. Additional seating running full beam aft, is without cover and perfect for sunning.

---

## Main Salon

---

Ideally suited for entertaining with large windows affording great views, custom bar and bar stools, formal dining area, player piano and salon curved sectional sofa and chairs.

### Salon-Aft:

- Sliding door entry with large tinted windows on either side

- Cream-colored U-shaped ultra-leather sofa
- Custom mirrored coffee table in honey oak/black finish
- Matching entertainment cabinet
- 2 Barrel chairs and matching ottomans in burgundy leather
- 55" flat screen color TV
- Entertainment center with VCR/DVD and Panasonic stereo/CD player
- 4 stereo speakers recessed in overhead
- Honey oak/black storage cabinet
- Black and cream oval side table
- Rectangular column lamp
- Directional lighting recessed in overhead
- Low-shag cream-colored carpeting
- 8 Large tinted windows with Silhouette white power shades
- Decorative patterned fabric valances
- Decorative wood columns between windows

### **Mid-Salon: Port Side**

- Oval-shaped dining table, glass on black frame
- 6 chairs in matching cream upholstery with black frames

### **Mid-Salon: Starboard**

- Story & Clark player piano

### **Forward Salon:**

- L-shaped bi-level bar, Absolute Black granite counter top
- 3 Burgundy leather and black bar stools
- Scotsman icemaker
- Sub-Zero under-counter refrigerator
- White ceramic deep square-shaped sink with hot and cold water
- Wine storage rack
- Black/mirrored upper and lower bar cabinets with custom glass doors
- Cream-colored vinyl headliner with mirror over bar

## **Pilothouse**

The Raised Pilothouse is just forward of the salon, accessed from either side amidships. Portside staircase just forward of the wing door; starboard entry is up three steps from the companionway. **Pilothouse:**

- Varnished teak helm steering wheel
- Helm station with chart table built-in
- Overhead electronics console

- Storage cabinetry
- Black leather cushioned helm bench
- Varnished teak fold-down footrest
- Teak and holly sole
- 3 Teak stairs with storage below at the wing doors, port and starboard
- 2 Sliding side windows, tinted and screened
- 6 carpeted teak stairs to the flybridge; aft, to port

### **Pilothouse Electronics:**

- Nobeltec electronic chart, new 2015
- Garmin 7215 GPS/chart plotter
- Datamarine digital depth gauge
- Datamarine digital speed and distance log
- ZF electronic controls
- Danforth compass
- Spotlight controls
- Icom VHF radio

## **Day Head**

---

Located just forward of the Salon on the starboard side.

- Cream-colored ceramic toilet
- Black Galaxy granite-topped vanity with cabinet
- Mirrored surround panels
- Round white ceramic sink
- Directional lights recessed in overhead
- Cream-colored vinyl headliner
- White marble tile sole

## **Galley**

---

Forward of the pilothouse on the main deck; accessed from the starboard side companionway and down two steps, featuring an update to the popular Broward “country kitchen” with an open galley, island with cooktop in the marble countertop, full-size dining table, and large windows on both sides. Frigidaire appliances were all installed new in 2015.

- Frigidaire Professional stainless steel refrigerator/freezer
- Frigidaire Professional stainless steel 5-burner electric range (on island)
- Frigidaire Professional stainless steel microwave oven
- Frigidaire Professional stainless steel dishwasher

- Wine Enthusiast wine chiller
- Coffee machine
- Insinkerator garbage disposal
- Blender
- KitchenAid trash compactor
- Stainless steel deep rectangular double sinks
- Black Galaxy granite countertops with mosaic-tiled backsplash
- Black Galaxy granite-topped honey oak island with drawer and cabinet storage
- Honey oak upper and lower storage cabinets
- Black Galaxy granite rectangular dining table
- L-shaped cream-colored upholstered banquette seating with storage below
- Large mirrored cabinetry behind seating
- Black Galaxy granite-topped honey oak end table with storage
- 3 Beige/black print upholstered dining chairs
- Samsung 24" flat screen color TV mounted behind banquette seating
- DVD/CD/Stereo
- 4 Stereo speakers recessed in overhead
- Directional lighting recessed in overhead
- A/C control panel
- 6 Large tinted windows with white fabric blinds
- Cream-colored vinyl headliner
- Teak and holly sole
- RTI remote

---

## Accommodations

---

The three guest staterooms below deck are accessed from a staircase near the piano, mid-salon, starboard. - New soft goods and draperies
- New frameless glass shower doors in all guest staterooms

---

## Broker's Comments

---

Accommodations for seven guests in three staterooms aft, and three in crew quarters forward make this spacious classic motoryacht an attractive offering for sale as well as consideration as a charter yacht. Twin 870 hp Detroit Diesels, and two Northern Lights gensets power GOLDEN GIRL, with helm stations in the pilothouse and on the flybridge. Elegant interior appointments are found throughout the yacht, blending the textures of granite, silk, and leather with traditional woods in the living and sleeping areas. The main salon is spacious with large windows for fantastic views while cruising, dining, singing along with the player piano or just sitting at the bar. The updated galley with its own “country kitchen” dining area provides an informal atmosphere for enjoying quick meals and snacks. Outdoor spaces offer plenty of choices on this classic yacht: relax on the forward deck sun pads; enjoy cocktails and dinner on the flybridge with its built-in wet bar & grill, or just sit comfortably on the aft deck and enjoy the view. Many recent updates to GOLDEN GIRL make this classic Broward motoryacht a “must see”.

---
