## Overview

---

"Predator" is outfitted for serious fishing. The 54' Hatteras is one of the most successful models ever introduced by Hatteras. Her draft is only 4'2", allowing her access to shallow water areas. She has a three stateroom, two head layout with a spacious salon and galley. Her cockpit is enormous and her flybridge is spacious. Whether cruising, fishing or diving, Predator should be a "must see" for those looking for a well equipped and well maintained boat. Her bottom was recently painted and she is ready for use.
