DETAILED INFORMATION

Manufacturer Provided Description

Think of a place you want to go on the water and the DLV Series can get you there at the right price. The heart and soul of the DLV lays in its unsinkable, all-fiberglass, modified-V hull, designed for offshore excursions. But the real beauty of the DLV is its wide beam and 6- to 8-inch draft, enabling you to navigate across shallow flats, up coastal rivers and even into tidal creeks.

Every DLV comes standard with a spacious console, fuel tank, high-speed bilge pump, cushion seat set, built-in cooler and plenty of storage space for all the family's gear.

Exclusions

Owner's personal belongings.
