SPECIFICATIONS

Overview

CJ is a 1976 42' Californian LRC. Her seller bought her in California and cruised her from there to Florida and started the Great Loop. They are crossing their wake in the next few months, so they have decided to offer CJ for sale and wrap up their cruising itinerary. Despite several window leaks and minor cosmetic issues, CJ is a proven bluewater and Great Loop cruiser and has had quite a bit invested in her. She offers newer electronic engine controls, searchlight, audio/visual equipment, electronics, Cummins 270 hp main engines (1999) and soft goods. Price reduced!

CJ is now a Great Loop veteran. Her sellers have moved off the boat and returned to the West Coast, so they are motivated to receive any reasonable offers. CJ is turn-key for another Loop cruise.

Basic Information

Category: Cruiser

Sub Category: Long Range Cruiser

Model Year: 1976

Year Built: 1976

Country: United States

Vessel Top: Bimini Top

Fly Bridge: Yes
