- Fish-box/bait prep & ice maker

Offers encouraged-seller motivated

Great boat with tons of space compared to comparable express styles. She has a very deep entrance on hull design which will offer a smooth ride offshore and tons of space for entertaining inshore.

Seller uses the boat on a weekly basis and is ready to pass on to next owner. You will be pleasantly surprised with current condition and pride of ownership

I have been aboard this vessel and can describe her condition accurately. All photos are recent. Thank you for viewing.

Engines: 2**Manufacturer:** Crusader**Model:** 5.7MPI**Fuel Type:** Gas

DETAILED INFORMATION

Overview

The Silverton 34/36 is a stylish fly bridge cruiser that might best be described as a lot of boat for the money. With nearly 14 feet of beam, the 34 is a more spacious boat than any of her competitors. The extra volume is especially noticed in the salon where Silverton designers have been able to find room for a dinette in addition to an entertainment center aft and starboard side sofa. The large galley includes an upright refrigerator as well as Corian counters and adequate storage. Forward, an angled double berth is found in the master stateroom, while the guest stateroom is fitted with over/under single berths. The head is split with the shower stall to starboard. The Silverton's interior is tastefully appointed with cherry cabinetry, vinyl overheads, and earth-tone fabrics. A transom door and in deck fish box are standard in the cockpit, and molded access steps lead up to the fly bridge.

Salon

The salon is very open with 6'6" of headroom, natural lighting, opening windows and 360 degree visibility.
