SPECIFICATIONS

Overview

"Pure Joy" is an extremely clean, well maintained vessel. "The Atlantic 44 is a traditional Jack Hargrave designed long-range cruising yacht with one of the more attractive profiles in her class; this is not surprizing given that Hardgrave also designed most of the classic Hatteras motor yachts. She features a very large aft cabin with a centerline double berth, spacious main salon with an interior helm station and wet bar. Her galley is down to port with a head and forward cabin adjacent to the galley. There is a solar panel power system which runs entire boat not to include air conditioners without operating the generator. She is powered by twin 471 Detroit diesels and a Westerbeke generator. The 44 Atlantic Motor Yacht is well known for being a long range cruiser or live aboard. Come to Marathon Florida, the heart of the Fabulous Florida Keys to see this proud motor yacht.
