Hull Configuration: Modified Deep Vee

Hull Color: White

Hull Finish: Plastic

Engine Information

Engines: 2

Manufacturer: Mercruiser

Model: 7.4 MPI

Engine Type: Inboard

Fuel Type: Gas

DETAILED INFORMATION

Vessel Walkthrough

Stepping aboard at the stern, you enter the cockpit to starboard from a fixed swim platform. The cockpit boasts an oversized L-shaped bench to port with a removable table. The helm is up a step to starboard, with a secondary bench seat for your company when cruising. Bow access is front and center as well with a walk through windscreen. Stepping down a step to port you will find the cabin entrance. The cabin opens up to the galley immediately ahead of you and to port, with an open floor plan salon to starboard. There is a settee that serves as an additional berth with privacy curtain aft. Moving forward from there, you will find the U-shaped dinette that also has an option to convert to a berth. The head offers plenty of standing headroom and natural light and is located to port just forward of the galley. The rest of the bow is taken up by an expansive master stateroom with offset full size bed.

Salon

- Full size berth forward
- Cedar lined mirrored closet
- Pull out sofa in aft end of salon
- Dinette seating converts to berth

Dinette

- U-shaped dinette on raised platform centrally located in salon
