DETAILED INFORMATION

Walk Through

Boarding is from port or stbd side decks on to the aft deck. The aft deck is fully enclosed, carpeted and finished with newer outdoor furniture.

Flybridge access is with 4 easy steps. The flybridge has a hard top and is fully enclosed, with a centerline helm and an abundant amount of seating.

The Salon is down 3 steps from the aft deck. There is an L-shaped settee, an occasional chair and two bar stools. Two steps below is the open galley with the appliances to starboard and a large dinette to port.

One step down and forward is the forward VIP cabin with a centerline berth and a private head with stall shower. Aft from the salon, down three steps, is the Master cabin with queen size berth centerline and private head with stall shower.

Salon

The Salon is down three steps from the aft deck. The large opening side windows with mini blinds offer generous amounts of daylight. The fixed front windows are also covered with matching mini blinds between upholstered lambrequins.

Immediately to starboard in the salon is a newer L-shaped settee with a Lucite coffee table in front. Next forward is a breakfast bar facing the galley with two stools with back rests.

To port is an upholstered swivel chair and four storage cabinets outboard below the house side windows. The main electrical panel is aft. Forward is a bar counter with open railings below into the dinette area. Above are five light fixtures and two speakers.

Forward in the corner is a newer Samsung 32" SMART LED TV. Below in a tambour door cabinet is the yacht's entertainment equipment consisting of Panasonic VHS, a 12 volt Kenwood AM/FM/CD. A Wi-fi Epson printer is also in this area.

Galley

The Galley is two steps down and forward and open to the salon. It is C-shaped and to starboard. The sole is lionseal vinyl faux teak and holly.

Galley equipment includes:

- Galley Maid Empress 3 burner stove and oven
- Black & Decker toaster over/broiler
- Kenmore microwave
- Frigidaire refrigerator/freezer
- Under counter trash receptacle
- 11 teak cabinet doors
- 10 teak drawers
- Opening stainless steel porthole
- 2 deck hatches to lift out storage compartments
- 3 under counter lights
- Exhaust fan

To port is a large U-shaped dinette that seats five people. A high low table allows the dinette to transform to a berth for two. Outboard are 4 teak storage cabinets and an opening porthole. Forward are two beveled mirrors. Two under counter lights and a brass swing arm lamp offer ample lighting.

Forward Cabin

The forward cabin is down one step. An arched teak door leads into a VIP like cabin with a centerline island berth with port and starboard access steps. A curved counter top around the berth serves as a night stand. A hinged storage curvy and access to the rope locker is forward. Twin brass swing arm lamps flank the anchor locker cabinet. Full drapes cover the port and starboard opening portholes. There are three drawers and two cabinets to both port and starboard under the hull side countertop.

Aft to starboard is a full size auto lit hanging locker and a vanity with two storage drawers, a swing out vanity stool and a beveled edge mirror with a three bulb fixture above.

To port is access to the forward head. Also in the cabin are two opening deck hatches, (4) DC light fixtures and (2) stereo speakers. The berth lifts up to reveal a large storage area.

Forward Head

The forward head has two access doors, one from the centerline companionway and one from the forward cabin. The vanity has 2 cabinets below and a cultured marble sink above. A mirrored medicine cabinet is above the sink. The stall shower has a clear Lexan door, a seat, a hand held or wall mounted fixture and 2 cabinet doors within. The sole of the head is ceramic tile. The toilet is a vacuflush model. 4 lights and a small

opening deck hatch are above.

Master Cabin

Aft and down 3 steps from the salon is the Master cabin. A queen size berth is on centerline. A valance with 2 lights and an escape hatch in the transom are behind the berth. Twin brass swing arm reading lights are affixed to port and starboard storage cabinets with plexi doors.

To port is a vanity with a hinged top and a make-up light inside. Three drawers and a full auto lit hanging locker is forward.

At the foot of the berth forward is a large two door auto lit hanging locker, a full dressing mirror and the entrance to the owner's head.

To starboard are 12 drawers below a Mica counter top. Above is a 15" Craig LCD TV and a Cyberhome DVD player. There are large mirrors port and starboard below opening hull side windows with drapes. Above are 4 DC lights. The sole is carpeted.

Aft Head

The aft head within the Master cabin has a 2 door vanity with a cultured marble counter top and sink above. A mirror with lights either side is above the sink. Forward is a medicine cabinet. The sole is ceramic tile. The stall shower has a bifold dark tinted door with a hand held or wall mountable fixture, a seat, a light and an exhaust fan. The toilet is vacuflush model.

Foredeck

- Non-skid fiberglass decks
- Fiberglass bow pulpit w/stainless steel bow roller
- Ideal 12 Volt windlass
- Up and down foot switches for windlass
- 50 lb. stainless steel plow anchor w/250' of 1" nylon rode
