## Overview

---

As one of Moonen's "pocket superyachts" she has a reputation for seaworthiness, comfort and safety. She has cruised extensively throughout all areas of the Mediterranean, in all conditions, and has spared no expense on her upkeep and improvements. She provides comfortable cruising for up to 6 guests in owners cabin and two guest cabins as well an entire separate crew area with two crew cabins and crew mess. The large dining in the front separated from the saloon makes dining at all weather conditions in any part of the world possible. The fly bridge steering position and the spacious sundeck offer spectacular views. The shaded aft deck with the side boarding ladder gives easy access towards the water or tender. She is berthed near Amsterdam, so easy accessible for an inspection.
