## Overview

---

The hull was built in 1978 at Cammenga by a design of W. de Vries Lentsch – The Netherlands. Viudes Spain completed the yacht in 1990 under class! Since then she has cruised the Mediterranean for many seasons. The spacious aft deck is fantastic for nice evening dinners or shaded lunches and the sliding doors give access to the spacious interior with the owners cabin on the main deck. Accessible from the saloon you can find three guest cabins. There is a separated crew area with mess room – for optimum privacy for its owners and guests.

The interior is nicely made in a traditional but elegant style. This nice gentleman's yacht is for those of interest who appreciate the design of nice classic lined seaworthy yacht that needs tender love and care. For more information:
