SPECIFICATIONS

Overview

New to the market! Like New. This Back Cove 33 has been Meticulously Maintained. Practical Elegance. From Maine. Back Cove yachts is a sister company of Sabre Yachts and together these two yards are the largest recreational boatbuilding company in the State of Maine where America's first ships were built on the shores of the Kennebec River. This tradition of building ships that go to sea, which began in 1607, continues in Maine to this day. Red Rover is well equipped to include bow and stern thrusters, 480 Hp Cummins, Isotherm ice maker, custom Sunbrella cockpit sunshade, Satellite TV just to name a few. View Red Rover Today!

Manufacturer Provided Description

The Back Cove 33 is a larger yacht with the same simple features, usability and maintenance which have built the popularity of the Back Cove brand. Below deck is a large and comfortable vee-berth, convertible L-settee with a beautifully inlaid salon table. To starboard we created a large head with separate stall shower. On the helm deck, a full galley stretches out aft of the helm seat and to port is a dinette where four adults can sit to enjoy a meal. The inlaid table is a fine example of the Maine boat builder's craftsmanship and tradition, which is evident throughout the Back Cove 33. Forward of the dinette, a double mate's seat is a comfortable perch for the navigator. The helm deck is airy and bright with overhead hatches, opening side windows and a center

opening windshield. A Stidd helm chair provides comfort for the helmsman underway. In her cockpit a large bench seat allows comfortable lounging while underway or when anchored in a peaceful cove. Engine access is extraordinary, as the helm deck, including the port side dinette, raises to expose the yacht's mechanical systems.

Additional Information

Cleanest 33 offered on the market today!
