SPECIFICATIONS

Overview

2016 RORC BOAT OF THE YEAR. Prototype of the A13 model designed by JNYD and built by Archambault. TEASING MACHINE is a result of long standing technical collaboration between JNYD and Laurent Pagès.

She benefits of an outstanding built quality, inventory and racing pedigree.

Ready to win!

Highly robust, TEASING MACHINE can be pushed in confidence in conditions of breeze and strong currents like she was in the Sydney Hobart 2015 where she was equally matched in real time with the TP52s for the first 60 hours in breezy conditions even though she finished 3rd in her class. She has been continuously maintained in perfect condition by her captain.

She won most of the races she entered including major offshore events. Awards won:

- 2015 Class Winner Cowes Week
- 2015 Overall & Class Winner Channel Race
- 2015 3rd in Class Fastnet Race
- 2015 Class Winner Sydney Hobart
