SPECIFICATIONS

Overview

This exceptionally seaworthy yacht with a transatlantic and transpacific range offers space and luxury for comfortable cruising or exploring remote places in the world. Devil's Advocate is built to high commercial shipping standards and no compromises are made in design, fabrication, or quality and modern technology and tested design concepts are applied to this unique yacht. A doubled, hard chine and fireproof steel hull is the proven platform on which she is built. Built in Canada by the famous Cape Horn Trawler Corp at the Pictou Boatyard to the highest standards of ABS/CE classification rules. She features a full displacement double bottom steel hull with duct keels and she all the engineered mechanical systems with built in redundancy. Offering a very high degree of genuine comfort, luxury and security, Devil's Advocate is one of the most spacious yachts in her class, with a full beam master stateroom, a library/Entertainment room, and holds the volume of a much larger yacht. Her interior is made of the finest, solid cherry wood with elegant intarsias. Connolly leather and fine cloths are used for the furniture and she is equipped with state of the art Bose audio and video surround systems in all cabins. Villeroy and Boch and Wedgewood bone chinaware, Egyptian cotton bedding, all is in place to ensure the best possible passage in the utmost comfort. Maintained in an as new condition by the discerning owner, she is constantly upgraded, she is vat paid, extremely fuel efficient and economical to run.
