ХАРАКТЕРИСТИКИ

Обзор

The **ANATOMIC 42** is an aluminium, semi-displacement motor yacht featuring an aggressive, yet, elegant exterior with harmonised shapes and clear lines with a sporty and fast character. Straight polished stainless steel elements all along the side windows emphasis the fast and slim attitude of the yacht and lead into the very dynamic shape of the bow.

The **ANATOMIC 42** offers generous space on a free-flow fly-bridge layout with a lounge area, a long bar, a dining table and a Jacuzzi with a spacious sunbathing area. The interior lay-out strictly divides the service and crew area from the private Owner and Guest section; the yacht can accommodate up to 10 guests in 5 staterooms including: a master stateroom on the main deck, 2 VIP and 2 guest staterooms. The theme of the interior concept is space and light, providing a luxury residence on board a yacht which is easy to operate and maintain. Such details as a large wheelhouse with a separate radio room, a spacious aft garage for owner's tender and jet skis, with a separate crew tender housed in the bow section, make the **ANATOMIC 42** a very "crew friendly" yacht.
