## Overview

---

Under 200 hours on her engines and generator, Suzie Q has been a one owner boat always kept in freshwater in a covered slip at Lake Lewisville, Dallas, TX.

Owners are Non-Smokers and just live too far to enjoy her more often.

She is the Extended Bridge model with seating for 10 on the Flybridge. 2+2 facing forward at the helm, plus 2 on the port settee and at least 4 at the starboard dinette. Just picture yourself with family and friends watching a game on the flatscreen TV and loud speakers to match the excitement, while enjoying the breeze in the shade with some sundowners.

On the way back, Joystick Docking makes it a breeze to dock in any condition, and with the rearview camera it can't get any easier. No yelling to and from the dock. You'll dock like a pro. DYSID:3038697

# DETAILED INFORMATION

---

## Manufacturer Provided Description

---

For an exceptionally accommodating layout that's truly best in class, look no further than the 43 Super Sport. With her extended bridge option the model out-sizes all other yachts in the class. For a truly impressive ride, this 43' is equipped with the revolutionary Volvo IPS Drive system with IPS Joystick Control. And like all Carver models, structural integrity is assured through our unique C.A.S.T. system. Added entertainment space can be found on the generously roomy cockpit or in the spacious interior layout. Uniquely designed for convenient entertaining, the full-beam salon and galley share the same level. An under-galley utility room provides abundant pantry storage, or it can accommodate an optional washer/dryer. The forward master stateroom is complemented by a true VIP stateroom - not a twin berth. Additionally, two separate heads with enclosed stall showers provide welcome privacy.

Sleeps 2 more adults on the Salon's sleeper sofa.

## Engine Notes

---

Extremely Low hours on Gasoline Volvo IPS 500 engines with 370 hp each.
