Overview

Over 50 years ago Bob Hewes created an unique boat which later became the famous Hewes Bonefisher. Its innovative design would allow anglers to stalk spooky gamefish in shallow water where few anglers or boats had ever gone.

The New Redfisher 18 takes popularity to the next step. This versatile, mid sized skiff has been the top choice of top back country anglers and guides for many years.

Now the Redfisher delivers even greater range, speed and performance.
