Overview

Turnkey Operation available now in Los Suenos

This 2001 60 Hatteras has a new custom look with the bow rail removed and a black mask painted on the bow. The salon and dinette seating were just recovered in 5/11 and all systems have been recently gone through and the boat is ready to fish or cruise today. Complete overhaul done in 2012 on both engines. The interior is rich dark cherry wood and still shows like new. The boat has always been maintained in show shape both cosmetically and mechanically. Compare to the others...this Hatteras will outshine the competition inside and out and will impress the most discerning buyer. Excellent opportunity move into a ready to go boat and fish this season.
