SPECIFICATIONS

Overview

The 42 Yellowfin is the flagship model and Sanity Seaker was custom built with all of the bells and whistles. Constantly updated and cared for this boat offers the perfect turnkey boat for the buyer who wants a new boat but does not want to wait the 22-24 months for it to be built. This well thought out build has a long list of options and upgrades that were painstakingly chosen by a seasoned professional who visited the plant many times during her construction. She is fully serviced and ready for a new owner. Financing Available. DYSID:3040236

Hull Material: Fiberglass

Hull Configuration: Modified Deep Vee

Engine Information

Engines: 3

Manufacturer: Yamaha

Model: 350 Four stroke

Engine Type: Outboard

Fuel Type: Gas/Petrol

DETAILED INFORMATION

Vessel Description

Yellowfin's flagship sets the standard for what a big, brawny, no-holds-barred center console can be, the 42 can run circles around big diesel inboards (while burning a fraction of the fuel). Whether you seek a large, family boat for weekend excursions in total safety and comfort, or a full-on tournament ready battlewagon, the 42 easily accommodates both duties. With an unmatched attention to detail in fit-and-finish, smooth dry ride, and performance, there is simply nothing else in the market to compare. The tower with COMPLETE second station is the perfect place to get a bird's eye view while fishing all in the comfort of oversized seating. Want to get out of the sun or take a nap? Fire up the diesel generator and AC then go below to the cuddy with head.

Standard Equipment

The standard equipment on these boats would be considered upgrades on the competition.
