SPECIFICATIONS

Overview

SINGLE OWNER BOAT METICULOUSLY MAINTAINED

1060 hours on Man 800 Diesels.

ENGINE SERVICES: First 1000 hour time based service performed at 600 hours June 2007. Second 1000 hour service performed at 995 hours March 2016.

PAINT WORK: Hull painted from rub rail up August 2015. FLYBRIDGE ENCLOSURE: New 3-sided enclosure August 2014.

This sportfish looks, feels and runs like new!

A sleek, sporty exterior, premium fishing features, and tournament-level speeds define the Cabo 43, a top-tier convertible with a proven blend of comfort and performance. Built on a deep-V hull with a solid fiberglass bottom, the cockpit of the Cabo 43 is huge for a boat this size. Her two-stateroom, galley-down interior is elegantly appointed with satin finished woodwork and decorator fabrics. The master stateroom is amidship with an island berth and a private ensuite head. Forward to port is a full guest head. The guest stateroom features a unique three-bunk configuration with upper/lower bunks to starboard and an upper bunk to port, and sleeps three comfortably. The full service galley—one step down from salon level—has a huge storage locker beneath the sole. Additional features include cockpit engine room access, transom door with gate, wide side decks, and an integral bow pulpit. MAN 800hp diesels cruise the Cabo 43 in the high 20s and reach a top speed of 34–35 knots.
