SPECIFICATIONS

Overview

The Regal 32 Ventura 9.8 in 1993/94 was a notably popular model for Regal. In production for a full decade, it is built on a deep-V hull with cored hull sides. The deluxe interior is a blend of high-end furnishings and quality components. The floorplan is arranged with an angled double berth forward, a sofa/dinette in the salon, and handsome U-shaped aft cabin seating that converts into a queen-size bed. The cockpit is set up with a doublewide helm seat forward, wraparound guest seating aft, a built-in wet bar, and a transom door. A fast boat with 300hp MerCruiser sterndrives, the Regal will cruise at 25 knots. Repowered in 2008.
