SPECIFICATIONS

Overview

Azimut 75 2008 M/Y "Phoenix" belongs to the second owner, her previous cruising region is Far East, Russia. The yacht has never been operated for charter or commercial use and has only been used privately in the interests of the owner and his family.

Despite the fact that in 2017 the yacht already passed a salon refit, in February 2020 the yacht achieved another intensive interior refit in Italy (salon, guest cabins, crew cabin, external tables, teak repair and grinding) and is offered to the future owner in perfect condition. The entire specification includes a Williams 385 tender (+ crane beam on flybridge).

The yacht has started a new 18-month period in EU waters in January 2020.

Delivered to Italy in connection with the change of the owner's region of interest. Yacht is available for visit in Genoa, Italy.
