SPECIFICATIONS

Overview

Sea Ray got it right with the 480 Sedan Bridge, one of the best-looking sedan cruisers of her era. With her three staterooms and two heads she is a go anywhere type boat that can handle a small crowd. The galley, main salon and the cockpit are all on the same level making it easy to move around with out going up or down any steps. The captain can see the bow and stern from his seat at the helm for easy docking and maneuvering. With her 660 HP Cats she cruises at a comfortable 26 Kts and will top out around 30 Kts.

"In the Zone" has been very well cared for by her current owner and she is in above average condition. Ship's log and maintenance records are available. This is a lot of boat for the money and the next owner is going to reap the benefits of the current owner's attention to maintenance. DYSID:3042534
