## Overview

---

**This is a very low hour Sundancer! Must see to appreciate!**

This well made, good looking hardtop cruiser sets the industry standard for sweeping lines and bold style. She is built on a beamy deep-V hull that gives a superior ride to the older models.

The fiberglass hardtop insures that all are riding in dry air conditioned comfort. Power vent windows and (4) opening hatches in the top provide extraordinary ventilation when desired.

The interior is a gorgeous two-stateroom layout with deep cherry cabinet work, Ultra leather seating, hardwood floors and designer galley appliances.

The forward (master) cabin has total privacy with the head split port and starboard with the huge shower.

The aft stateroom has twin berths with ensuite head and shower. A washer/dryer is provided in this space.

## Basic Information

---

**Category:** Cruiser

**Model Year:** 2005
