SPECIFICATIONS

Overview

Beautifully styled and impeccably detailed, the Azimut 68 Plus achieves an impressive balance of advanced engineering, luxurious accommodations and superb open-water performance. Indeed, the palatial interior of the 68 Plus is nothing short of spectacular in its execution. The salon, with its lacquered cherry woodwork, sweeping curves, and plush furnishings is overwhelming in both size and comfort. The full-beam master stateroom—with unique vertical hull windows—is like a suite, and each of the three guest cabins has a private head. On deck, the cockpit has plenty of lounging space and a bridge overhang provides protection from the weather. Additional features include sliding deck doors, raised bulwarks, a huge foredeck sun pad and a big anchor locker with a chainwash.
