# ХАРАКТЕРИСТИКИ

## Обзор

All the room you need in an express, Immaculate Inside & Out !

The 5000 Open, which can be outfitted for fishing or cruising, is a result of that commitment to course. She is neither a stylist's vision of the future nor a nostalgic retro recreation. She is a bit softer, a little less jagged-an evolutionary refinement of Tiara's past designs.

Practical features include Tiara's new molded fiberglass windshield, an improvement compared with the traditional coated aluminum assembly that tended to deteriorate over time. Gone as well is the painted aluminum arch, replaced with an aluminum half-tower and fiberglass hardtop. Serious tournament types may not care for the subtle reverse of her transom, but she was designed primarily for recreational anglers.

## Основная информация

- Glendinning Electronic Controls
- Forward Deck Shore Power
- All Chain Anchor Windlass System with remote at helm
- RCL100 Remote Spotlight on Bow
- Kohler 15 KW generator w/ 299 hours

---

## Additional Salespersons Remarks

---

This is a very clean low hour shed kept boat that the owner does not have time to use. In 2006 the custom aluminum arch with gold rod holders and the Rupp outriggers were installed with the intention of going fishing, but that never happened. This boat is rigged for both cruising and fishing. The outriggers and arch could easily be removed. Spotless engine room! One of only six built!

---

## Exclusions

---

Owner's personal gear and any items not included in this listing.

---

## Исключения

---

При продаже яхты исключаются личные вещи владельца.

---
