SPECIFICATIONS

Overview

S/V Quick Enough is very well equipped by a very experienced owner. This fine vessel is ready to go to sea.

This Hunter 45 has recently made her way from N.J. and is currently docked at Punta Gorda. Creature comforts and ship systems are all of the highest quality and are continually maintained without cutting corners.

Main engine has only 880 hrs. along with very low hours on the generator.

If in the market for a vessel of this caliber, S/V Quick Enough should definitely be taken into consideration.

The owner has three boats, of which this Hunter 45 and a Whitby 42 are for sale. Both of these vessels are very well equipped and kept in top notch condition. Either would be a very good choice for the potential buyer.

Please see "full specs" and walk through video.

Please note: Hard bottomed West Marine Dinghy and 6 hp outboard are negotiable.

Things To Consider

** New Bottom Paint Winter 2016. * New batteries: One #24, one #27, one #31 and four 6v. in 2015. * Mast furling mainsail. * Furling genoa. * Raymarine E120 multifunction display in cockpit and below. * Raymarine E120 can be displayed on Salon TV. * Two Kyocera 140 watt solar panels with junction box. * Air Breeze wind turbine. * Varifold 3 blade folding propeller. * Relocate electrical panel to a more accessible location. * eMarine electronic control panel integrates wind turbine with solar panels. * Side-Power bow thruster. * Full canvas enclosure with Dodger. * Raymarine 4 kw Radar. * Fischer Panda 7 kw Generator. * KATO dinghy davits. * KATO outboard motor hoist. * Bose 3-2-1 DVD/CD/Stereo system. * JVC audio system in cockpit. * Cabin and cockpit speakers. * Two 16,000 BTU A/C units. * X-Change-R oil change system. Manufacturer Provided Description With a well proven track record as the "master" in center cockpit cruisers, the Hunter 45 Center Cockpit has been refined from volumes of customer feedback coupled with the design inspiration of Warren Luhrs and the Hunter Design Team. The focal point of a mid-cockpit cruiser is always the master stateroom, and Hunter delivers with more space and amenities than you would expect to find on some 50+ footers. However, it's evident that the rest of the boat has not been compromised in the process. The salon, galley, nav station, and forward stateroom are all very well appointed, with each space comfortably balanced in the package. Above deck, Hunter includes some "ease of sailing" features that have become trademarks. The backstayless B & R rig and traveler arch are among the most prominent, with numerous smaller touches that don't reveal themselves until the boat is under way. The frosting on the cake is the surprisingly attractive profile.

Hunter 45

Engine

*** Yanmar 4JH3-TBE 75 hp diesel main engine with 880 hours. * X-Change-R oil change system for main engine and generator. * Sea-Fire automatic fire suppression system. * 2.63:1 reduction gears. * 1 1/4" stainless steel shaft. * Varifold 3 bladed folding propeller.**

Electrical

*** Fisher Panda 7 kw diesel generator. * Relocated 110 VAC/12 VDC electrical breaker panel. * Dual 30 amp shore power inlets. * Xantrex 2500 watt 130 amp Inverter/charger. * Two kyocera 140 watt solar panels. * Air Breeze wind turbine. * eMarine electronic control integrates wind gen with solar panels. * 105 amp Balmar alternator. * New 2015 batteries: one#24, one#27, one#31 and four 6v.**

Galley

*** Hilderange stainless propane stove with oven. * Kenmore Brew Wave microwave with built in coffee maker. * Stainless stove vent. * Nova Kool refrigerator freezer. * In counter freezer. * Dish drying cabinet with built in fan. * Double stainless sink. * Propane shut off/on on counter face. * Corian counter surfaces. * Countertop trash access. * Plenty of drawers and under counter stowage.**

Electronics

*** Two Raymarine E120 multifunction displays, up and down. * Raymarine 7001 "Smart Pilot" autopilot with remote. * Raymarine 4 kw Radar. * Raymarine ST60 Depth. * Raymarine ST60 Speed log. * Raymarine ST60 Wind. * ICOM IC-402 Marine radio with distress. * Instruments fully integrated with "Sea Talk". * EPIRB 406. * Sirius weather antenna couple with to E120 display. * AIS ad-on. * Three flat screen TV's Forward, Salon and Master. * Bose 3-2-1 DVD/CD/Stereo. * Bose cabin speakers. * JVC Audio system in cockpit.**

Cockpit

*** Full canvas enclosure with Isinglass and screens * Custom cockpit cushions. * Pedestal cover. * Lewmar folding steering wheel. * Folding cockpit table. * Stern rail with cushioned seats and drink holders. * High combings for comfort and safety. * Magma stainless barbecue grill.**

Deck

*** Double anchor roller. * Large anchor well. * Simpson Lawrence vertical anchor windlass. * Stainless Bruce anchor with chain and nylon rode. * Stainless steel bow pulpit. * Double lifelines with three gates. * Stainless deck handrails. * Seven opening hatches with screens. * Kevlar reinforcement from bow to keel. * Two propane tanks with ventilated storage with drains. * Fresh water hookup. * Eight stainless steel mooring cleats. * Swim Platform with stainless telescoping ladder. * Swim platform hot and cold transom shower. * KATO dinghy davits. * KATO outboard motor hoist.**

Hull

*** Side-Power bow thruster. * Winged shoal draft Keel at 5' depth. * Rubrail. * Spade type rudder. * Bottom has been barrier coated with epoxy sealant.**

Sails and Rigging

*** Selden vertically battened mast furling Mainsail. * Selden Furlex 300S furling genoa at 110%. * Working sail area: 975.00 ft. sq. * Mast bridge clearance 62'. * Cockpit arch with traveler atop. * Running rigging ran to cockpit. * Inboard jib tracks with adjustable cars. * Asymmetrical Cruising spinnaker with sock. * Rigid boom vang. * One Lewmar electric cabin top halyard winch. * Self tailing Lewmar #48 primary winches. * Lewmar #40 rigging winches. * Stainless standing rigging is in great shape. * Sails are in good condition.**

Walk Through

When first viewing "S/V Quick Enough" one is faced with an orderly and well kept vessel.

Stepping aboard her starboard side, no heel was noticed at all. The weather decks are clean and orderly with no soft spots noticed. Wide side decks allow easy access to the bow. The full canvas enclosure is in very good condition with clear Isinglass. Stainless dinghy davits along with a stainless outboard hoisting davit are located on the stern. Her stainless davits have two solar panels mounted atop along with a wind turbine nearby. A Magma grill is located here as well.

The cockpit is roomy with cushions, a folding table and all the navigational goodies necessary for a successful passage, including radar. Visibility is great through the clear Isinglass panels.

Down the companionway hatch one is faced with a luxurious Salon with the galley immediately to starboard and navigation station to port. The galley has everything that a well equipped kitchen ashore would provide, even a dish drying cabinet.

Moving forward in the Salon is an Ultra Leather "L" shaped settee to port and a bench settee to starboard. The dining table is offset to port of centerline with a sliding bench seat that tucks up under table to get it out of the way for sailing. There is ample stowage here behind and under the settee's with three overhead hatches and windows which lets in plenty of light providing a bright and cheerful a environment.

The forward Stateroom has an overhead hatch, again, with plenty of light, hang up stowage, reading lights and under berth drawers. Two can sleep quite comfortably here. The forward head is just a step away with a separate shower stall and is a quite nice space to be in.

A port side passage leads back to the Master Stateroom. In this passage is a large panel for very good access to the main engine.

The Master Stateroom is quite luxurious and very large for a sailing vessel. A navigation station used to be here and on the port side; however, the owner seeing no need for it, had custom cabinetry with hang up closets built. This cabinetry absolutely looks as if it were installed by the builder. A queen size berth resides here with settee's to either side. Drawers and another hang up closet are to starboard. Both Staterooms and the Salon are equipped with Flat screen TV set's.

The ensuite Master head is here which also has a shower stall plenty of stowage and a Jabsco electric toilet as does the forward head.

Brokers Observation's

"S/V Quick Enough" is very well equipped and needs nothing to get underway. The owner owns three sailing vessels. All of which are kept in top notch condition. He is currently selling this Hunter and a 1986 Whitby 42.

Either of these vessels would be a great choice if you are searching for a vessel that is in a "ready to go" state and well equipped. When something breaks, it gets fixed.
