## Overview

---

Bank Repo opportunity- must be sold immediately! This vessel represents a great opportunity to own a pedigreed sportfisherman that has had years of loving owners until recently. She has been well-known as a proven fish-raiser in the Northern Gulf and we are looking to put her back into capable hands.

Reel-A-Tude is still a fine example of a classic East Coast Convertible. Like other Northeast builders such as Egg Harbor, Ocean, and Viking – Post Yachts' teak wood joinery is a throwback to older days when things were built by skilled craftsman. The price of these boats in my opinion, is well below their true value. Reel-A-Tude is priced to sell in the market, but is a much better example than the average 43 Post and has had a number of nice upgrades over the past five years. Here's your opportunity!

## Basic Information

---

**Category:** Sport Fisherman

**Sub Category:** Convertible

**Model Year:** 1986

**Year Built:** 1986
